Cell Phone Policy

Several parents have asked what the school policy for cell phones is. In the Parent/Student Handbook, which will be out this week, it states,

"St. John's understands that there are some circumstances in which students must have cell phones; however, all cell phones are to be put away and are not to be used during the school day as students have access to school phones when needed."

Mission Statement

St. John's Episcopal School instills a love of learning and a pursuit of excellence in a Christian atmosphere in which all students are honored.
