The safety of our St. John's family is always at the forefront of our minds. There are a few safety rules to be reminded of:

- Do not exit your vehicle when dropping your child off. (this impedes the drive through flow)
- If you do not use the drive through, please walk them to the gym door. (it is not safe for them to be dropped off at the curb)
- Keep the parking lot entrance between the church and the gym clear at all times.
- Make sure you take your turn when entering the drive through.
- If you drop your child off at the office, please walk them to the door. Do not allow them to enter the building alone.

The St. John's family would like to extend our deepest condolences to Coach Jessica Garcia and her family in the loss of her grandmother. Our prayers and thoughts are with them during this difficult time.
