St. John's Family,

This has been a great start to what I know will be a great year! The first three days of school were great and we are settling into being back at school. This week we have parent orientation. This is a great opportunity to meet your child's teacher, hear from the Friends' Board, receive information about what your child will be learning during the year and much, much more.

Thank you for making the beginning of 2022- 2023 AWESOME!

Blessings,
Mrs. Kirk
Head of School
